# PYREX<sup>®</sup>WARE

1969 *Puts the fun in functional!*

PYREX  
T-4A

CORNING

#### **PYREX® Decorated Ovenware**

PYREX Ovenware with a splash of color or a festive design adds flair to any meal—makes serving more fun. Dishes and casseroles stand up to hottest oven temperatures, yet keep their sparkling good looks for years. Smooth, hard finish is a cinch to clean. Baked-on food comes clean in a jiffy. PYREX Decorated Ovenware is great for cold things, too!

#### **PYREX® Range Top Ware**

Home on the range! Clear, see-through quality gives Range Top ware look-while-you-cook convenience. Water can't boil away unnoticed. Cleans easily too, and stays new looking. Handles stay cool—an added convenience when you are stirring sauces, gravies or puddings.

*Food!  
Fashion!  
Function!*

#### **PYREX® brand Beverage Servers**

Beverages look and taste better when they're served in a clear PYREX brand Carafe or Juicer. These versatile servers keep hot beverages hot, keep cold beverages cold—never a sign of a foreign taste or flavor pickup from past usage. Handle stays cool, cover stays put, for sure pouring. Smooth glass surface and large, "easy-access" mouth simplify cleaning. Mix, serve, or store—fashionably, with PYREX Ware!

#### **PYREX® Clear Ovenware**

You always know what's cooking with PYREX Ovenware! (And you'll use less heat than non-glass cookware to get the same job done, too!) PYREX Ovenware keeps hot food hot, cold food cold—won't stain, rust, dent, warp, or pit. Crystal-clear PYREX Ovenware goes from the freezer to the oven, too—with no wasted waiting time in between. Stubborn, cooked-on food washes off quickly, easily. There's just no better way to bake—than with PYREX Ovenware!

*It's true!*

*PYREX® Ware users have more fun!*
